NEO CASE

for Smartphones

The ultimate case. The 3SIXT Neo Case is clearly "the" case for smartphones. You can use the inner case for everyday protection, or quickly and easily attach your device magnetically in your car using the 3SIXT NeoMount or NeoVent bracket (sold separately). The wallet area in the Neo Case made from premium leather is the perfect alternative to a normal wallet. Money, up to three cards and the smartphone are combined in one case. Who needs another smartphone case?

Compatible mounts (see pages 13-14 for details)

MAGNETIC SMARTPHONE HOLDER

NEOVENT/NEOMOUNT

Magnet Mount for Smartphones

The strong, secure mount solution. Hold your device securely, safely and out of the way with the 3SIXT NeoVent or NeoMount. Attach the supplied magnetic plate or 3M adhesive magnet plate to your device or case then secure NeoVent or NeoMount to your vehicle's windscreen. Place the back of your device on centre of mount for a strong, secure mount solution. The high-powered 'rare-earth' (neodymium) magnets are safe and will not damage your device.

Compatible Cases:

The 3SIXT NeoCase has an inbuilt magnet can mount your device in your car using the 3SIXT NeoVent or NeoMount. Going out at night? The wallet part of NeoCase, made of premium leather, is the perfect alternative to your regular wallet. You can combine your cash, cards (up to 3) and your device in ONE handy case. Really, what other smartphone case would you need?

*Maximum device size is 5.5" (e.g. iPhone 6 Plus) and maximum weight is 200g.

SKU	TYPE	COLOUR	Size

CAR SMARTPHONE HOLDER

Compact mount for smartphones

Flexible and compact mount for all windscreens. The super-strong suction of the 3SIXT in-car mount is designed for large smartphones and devices with a width of up to 80 mm and 90 mm including case, leaves no traces or residues and provides a strong and stable hold thanks to the anti-vibration function. The mount can be rotated 360° and thus enables the perfect angle for your dashboard - in portrait or landscape format!

CHARGING AND SYNC CABLE USB-C™

for smartphones with USB-C™ connection

Connect your standard USB 2.0/3.0 accessory to a computer, tablet or smartphone with a USB-C™ port for high-speed syncing of data and charging. The USB USB-A end connects to devices with legacy USB 2.0 ports for seamless integration with new release tablets and smartphones with a USB-C™ port. The flexible 3SIXT Charge & Sync Cable with sturdy construction, has connectors with molded strain relief for frequent unplugging and durability and the robust USB-C™ connector clicks into place for a snug and secure connection. The sleek USB-C™ connector is reversible giving the ability to plug and unplug easily no matter what direction.
